TIRED OUT.

There's many a wife sits in the growing shadows of an evening, knowing why it is to feel tired out, as if there was not another ounce of effort left in her. But if healthy she knows how sound her slumber will be and how refreshed the morning will find her. But it's another thing for the sick woman to feel tired out. Rest only seems to increase her suffering. She feels acutely the aching back and throbbing nerves. Sick women, hundreds of thousands of them, have been made well by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, drives out the weakening drains, heals inflammation and ulceration and cures female weakness.

"I am pleased to inform you of the benefit I received from using Dr. Pierce's Favorite Prescription and Golden Medical Discovery," writes Mrs. Elizabeth A. Oswald, of 45 Brant Street, Windsor, Essex Co., Ontario, Canada. "Was quite discouraged when I wrote asking your advice, as the physicians here told me I could get no relief except by an operation. Suffered for four years from irregular and profuse menstruation, had sick and nervous headaches most of the time, and at times could hardly walk across the floor from weakness. I thank God there is such a remedy as Dr. Pierce's Favorite Prescription for suffering women. Before I had taken the first bottle the headaches had left me and it was not long before regularity was established and still continues so. Have just finished house-cleaning which I never expected to be able to do again, and can truly say I never felt better than at present. I gladly recommend 'Favorite Prescription' to all who suffer from female weakness. It has cured me and made me stronger in every way. Neither my husband nor myself can say enough in its praise."

The selfish thinker who urges some substitute is thinking of the latter profit he'll make and not of your best good.

TO CURE ANY DISEASE.

The Cause Must be Removed, Same Way With Dandruff.

Kill the germ that causes dandruff, falling hair and baldness, you will have no more dandruff, and your hair must grow luxuriantly. Newbro's Herpicide not only contains the dandruff germ destroyer, but it is also a most delightful hair dressing for regular toilet use. No other hair preparation is on this scientific basis of destroying the dandruff germ. It stops all irritation, keeps the scalp sweet, pure and wholesome. Remember that something claimed to be "just as good," will not do the work of genuine Herpicide. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. E. S. Leadbeater & Sons, Special Agents.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat-producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatine.

Kodol Dyspepsia Cure

WHOLESALE MURDER.

One of the most shocking stories of murder, with robbery as the motive, in the annals of crime was brought to New Orleans yesterday by Capt. Hans Holm, of the Norwegian frigate Bratton, which plies between New Orleans and Honduras ports. It was subsequently confirmed by the officers of the fruit steamer Rosina, which came in later in the evening with additional details.

The little island of Utila, lying off the Honduras coast, whose population is an indiscriminate mixture of whites, Caymans, and Caribs, was the scene of the tragedy, in which twelve lives were sacrificed. The captain of the little trading schooner Olympia was about to make a trip to Ruatan, Truxillo, and Belize. He had about \$1,400, and was to buy cattle at Truxillo to sell at Belize. She carried a crew of four and quite a number of passengers, making the total list of people aboard number thirteen. Among these were two women and two children.

The vessel left the harbor of Utila at 11 o'clock Friday night, June 30, and after she had been under way less than an hour everybody was aroused by a shot, and, rushing on deck, found a negro, armed with a Winchester rifle, shooting down the men one after another. This negro was Robert McGill, and, as it afterward developed, he had stowed himself away aboard with the intention of robbing the captain and then swimming ashore. After he had killed all but one of the men, he ordered the last survivor to go below and scuttle the ship. When the unfortunate man reappeared on deck and reported the negro shot him dead.

He then put the two women, Miss Elsie Morgan and her sister, Mrs. Walter Rose, in the dory, with Mrs. Rose's six-weeks-old infant, and left the vessel, steering for the mainland. He changed his mind about allowing the women to live, and killed Mrs. Rose and her infant. Then he began shooting at Miss Morgan and wounded her in the arm. She jumped overboard and started to swim back to the island.

He fired at her ineffectually, but his ammunition evidently gave out, for he promised her immunity from harm if she would come back to the dory. She started back, and when within an arm's length, he struck her on the head with an oar, stunning her. Believing she was dead he rowed away toward the mainland.

Miss Morgan swam back to the island, where she was thrown on the beach by the waves in an exhausted condition. She feared that the negro would follow her, so she hid in the bushes, and for two days suffered from the heat and exposure, until found by a woman from her neighborhood and rescued from starvation.

In the meantime the dory had been washed ashore, and there was excitement on the island, and it was believed the Olympia had gone down with all hands. When Miss Morgan told her story, an immediate search was instituted for McGill, and the authorities on the mainland were notified.

They caught him at El Portvirin, a little town on the road to Celba, and there was quite a demonstration, but he was protected. His life was saved through the presence on the coast of President Bonilla, who was on an inspection tour. The Honduran warship La Tumbia, which has figured in so many revolutions was brought into service and the murderer placed aboard and sent back to the island.

Up to last Sunday he was still alive, though it is firmly believed that he will be tortured to death. The laws of Honduras prohibit capital punishment, but the people will take the case into their own hands.

Miss Elsie Morgan, the only survivor of the terrible experience, visited New Orleans three years ago, and is a well-educated, refined young woman of twenty-five years.

BATTLE WITH OUTLAWS.

C. S. Calhoun, of Kansas City, an Atchison, Topeka and Santa Fe Railway detective, was shot and instantly killed at Cedarvale, Kansas, by two outlaws, who were shot down later by a posse of citizens at Hewins, seven miles from Cedarvale. One of the outlaws, "Ed," Madigan, of Pence City, Oklahoma, was killed instantly by the posse. The other, William Chaburn, of Winfield, was fatally wounded. The outlaws exchanged shots with the posse, and J. M. Pope, a merchant, was shot through the foot and a woman named Malone was struck in the leg by a stray bullet.

Madigan and Chaburn held up and robbed six traveling men at the Bretton Hotel at Winfield on Sunday night last, and escaped.

At Cedarvale Tuesday night Detective Calhoun encountered both of the outlaws on the streets. Not being positive of their identification, Calhoun secured

the City Marshal and one of the traveling men who had been robbed, and started in a carriage in search of the outlaws.

Early yesterday the party drove past the men in a side street. The traveling man identified them, and the trio in the carriage was just in the act of making a stand when either Madigan or Chaburn opened fire. Calhoun was shot through the heart and the outlaws made their escape temporarily, as the marshal and the traveling man, taken by surprise, were unable to fire a single shot in return. The town was quickly aroused. The outlaws stole two horses and started for Hewins. While a posse was gathering at Cedarvale, word was wired ahead to Hewins, where the Deputy Sheriff summoned a posse of 20 armed men. Within 2 hours the outlaws rode up to a hardware store at Hewins, secured a rifle and a revolver, and started out of town at a gallop.

Just as Madigan and Chaburn were leaving the main street the posse opened fire from the windows of a store. The robbers returned the fire and a lively fusillade ensued. Finally Madigan fell from his horse, dying soon afterward. Another bullet soon brought Chaburn to the ground, he being shot through the abdomen.

Madigan's body was taken to Cedarvale, and Chaburn was placed in the hospital, where it is said he cannot live. Both men were under 30 years of age. Chaburn has served time in the Kansas penitentiary for robbery, but nothing is known of Madigan.

Sickening Shivering Fits

of Ague and Malaria, can be relieved and cured with Electric Bitters. This is a pure, tonic medicine; of especial benefit in malaria, for it exerts a true curative influence on the disease, driving it entirely out of the system. It is much to be preferred to Quinine, having none of this drug's bad after-effects. E. S. Muny, of Henrietta, Tex., writes, "My brother was very low with malarial fever and jaundice, till he took Electric Bitters, which saved his life. At E. S. Leadbeater & Sons drug store; price 50c, guaranteed."

The pills that act as a tonic, and not as a drastic purge, are DeWitt's Little Early Risers. They cure Headache, Constipation, Biliousness, etc. Early Risers are small, easy to take and easy to act—a safe pill. Mack Hamilton, hotel clerk at Valley, N. D., says: "Two bottles of these Famous Little Pills cured me of chronic constipation." Good for either children or adults. Sold by W. F. Creighton, 401 King Street, and corner of Queen and Patrick streets.
